

This is the fourth part of my story. After returning from our Thailand trip, I went to see my maternal grandparents, who live in Pune. They know that I am a nudist. Whenever I visit them, they never have any issue with me roaming naked at their house.

Before starting let me again tell you it's my real story. My grandparents love me the most. Whenever I visit them, they treat me like a king.

It was the month of July, and the weather was really hot. When I reached my grandparent's house, they welcomed me with a hug and served me my favourite milkshake. As soon as I finished my milkshake, I removed my clothes and got naked.

My Grandma is a little chubby, and her age is 70. She has big boobs and butts. My Grandpa is also a little chubby and has a hairy body with a 6.5-inch dick.

Grandma – Dear, you must be tired. Go and have a rest.

Me – OK, Grandma, yeah, I am a little tired.

Grandpa – I am going to market; do you need anything?

Me – Grandpa, I know you will bring everything I like by yourself.

Grandpa – (laughing) of course, my love.

After that, I went to my room and had a rest. After some time, Granny came to wake me up to have tea and snacks. We had tea together.

Grandpa – It is really hot. Give him a shower, like you do every time he comes.

Me – I can shower myself, Grandpa.

Grandma – No way, I am going to shower you.

Me – OK, Grandma.

Grandma – Let's go.

She turned on the shower and applied body wash on my body. I pulled her in the shower. Her clothes were completely wet. I was able to see her boobs and butts.

Me – Let's have a shower together. Remove your clothes.

Grandma – No, dear.

Me – Not a big deal, Grandma. I am naked, too.

I helped her get naked. Now, she was wearing only a pantie. I pulled it down, too. We both were completely naked now. My dick got rock-hard after seeing her.

Grandma – You are grown up now. Look at that boner.

Me – Want to help me there?

Grandma – What?

Me – (while masturbating and touching her boobs) It's normal, Grandma. After that, she took my dick in her hand and started masturbating me. She was doing it like a pro.

Me – Can you do me a favour?

Grandma – What?

Me – Suck it, please.

I don't know how, but without wasting any time, she took my dick in her mouth and started sucking it. Meanwhile, Grandpa also came and stood near me.

Grandpa – Suck mine, too.

Me – Grandpa, you are hot and sexy, just like Grandma.

After that, Grandma sucked both of our dicks, and we released our cum on her tits. After that, we had a shower and came back naked. After

having dinner, I went to my room, and my grandparents went to their room.

After half an hour, I heard some moaning from their room. I decided to see, and luckily, their room was open. I opened the door slowly and entered the room.

Grandpa – What are you doing here?

Me – I heard some noise. I just came to check.

Grandma – Oh! Now you are here, join us.

Me – Are you sure?

Grandpa – Yes, dear, join us.

Grandpa was fucking Grandma's pussy. I stood near the bed, and Grandma started sucking my dick. She drank my cum after sucking for 10 minutes. Grandpa also released his cum inside pussy.

Now Grandpa inserted her dick in Grandma's ass, and I inserted my dick inside pussy. We fucked Granny for half an hour and then released our cum inside pussy and ass.

Then we slept in the same bed, and in the morning, I woke up early. Grandma was still sleeping. I inserted my dick inside her ass and started fucking her. She woke up and started moaning. Grandpa also woke up after listening to her moaning, and without wasting even a second, he inserted his dick in pussy.

We fucked up really good for 40 minutes in the same position, then released our cum on her tits and then we went to have a shower. After having a shower, we decided to visit our village. My driver dropped us at our village house the same day.

Our village house is like a vintage house. We have an open bath area. We usually sleep in the open area of the house from where even we can see

the sky. There is really less pollution in the village as compared to the city.

Grandma cooked the food, and me and Grandpa arranged the setup to sleep. We put a bed there, and we all were naked. They loved my idea of being naked.

After having dinner, we had a bath in the open, and then I started kissing my Grandma, and Grandpa was kissing her back and butt. Grandpa inserted his dick in her pussy from the back, and she started sucking my dick.

After a few minutes, I inserted my dick in her pussy, and Grandpa started fucking her ass. We fucked her for 30 minutes and released our cum inside pussy and ass. Then we changed position. Now I was fucking her ass, and Grandpa fucked her pussy.

The next day, in the afternoon, we went to the fields. There was no one in the fields. So we decided to get naked and had a bath in a tub structure which is used to water fields.

Then we went to the storage room and fucked Grandma again for 3 rounds. I fucked her pussy 2 times and fucked ass for 1 time. All 6 rounds cum was released on her boobs.

After that, we both cleaned cum by licking one-one boob. We drank our cum that day. After that, we again had a bath and went back to the house.

After that, I stayed with them for one week. Grandma was really happy and wanted to continue, but I need to visit my paternal grandparents now. I promised them I would be back soon.

I told them that I had fucked my mom, also. She was really happy and a little confused. My grandparents decided to stay in the village for some more days. I went to my paternal grandparents' house.

In the next part, I will share how I fucked my paternal Grandma.
