

This is 5th part. As you know, I had sex with my parents and maternal grandparents. In this part, I fucked my paternal Grandma. After Grandpa caught me, he joined us with pleasure. Well, I am the only grandchild, so I am the lucky one.

My Grandpa's age is 61, and my Grandma's age is 60. My Grandpa is really fit as he is a retired army officer, he does exercise daily, even do yoga. My Grandma is also really fit, she also does yoga and exercise daily. My Grandma has big boobs and shaved pussy. My Grandpa has a hairy body.

They don't know that I am a nudist. I reached at their place in the afternoon, it was really hot. My Grandpa was out of town, but Grandma served me some snacks and cold drinks.

Before starting, let me clear that my sex incident with both Grandmas is similar.

Grandma – You go and have rest.

Me – OK, Grandma.

After that, I went to my room to have a rest. When I woke up, I saw Grandma was having a shower in an open area of our house. She was naked. That was the first time I saw her naked. She was completely wet and looked really hot and sexy. I got a really hard boner.

Without wasting any time, I got naked and went to have a shower with her with a boner.

Me – Grandma, may I join you?

Grandma – What are you doing here?

Me – I also want to have a shower.

Grandma – OK, come here.

She was continuously looking at my dick. She applied soap on my body and asked me to apply soap on his back. I was applying soap. My dick was touching her pussy. Her pussy was wet.

My dick got slipped inside her pussy, and I started fucking her. Just after a few minutes, I released my cum inside her pussy. I was terrified, but she smiled and cleaned her pussy and went to her room. I decided to stay naked now and tell Grandma that I am a nudist.

It was dinner time. I was still naked.

Grandma – Why are you naked?

Me – Because I am a nudist, I love being naked and free.

Grandma – OK, so you stay naked at your home all the time?

Me – Not only me but mom and dad also stay naked all the time. You should also try, it's best, you feel free.

After having dinner, she went to her room and slept naked that day. It was 10 pm, I had a boner. I thought Grandma had not replied while I fucked in the bath. Maybe I can do that again.

Her room was not locked when I entered. I found her naked. Without wasting any time. I inserted my dick inside her pussy and started sucking her boobs. She woke up but before she could say anything, I started kissing her. After a few minutes of kissing, she also got horny.

I fucked in missionary, doggy and cowgirl positions and later realised my cum inside her. She had already released her cum thrice. But I fucked her pussy for another half hour, and this time made her drink my cum.

The next morning, she woke me up and served me tea, and the happiest thing was that she was naked. She went out of the room and told me to come after having tea.

Me – Grandma, I guess you are loving being naked.

Grandma – Yes, dear, it feels free.

Me – I told you.

Grandma – Let's have a bath now, your Grandpa will be back this afternoon.

Me – OK

We had sex in the bath again. I fucked her pussy and sucked her boobs. She loved sex under the shower. After having breakfast and rest for some time, I went to Grandma's room, where she was taking a nap.

I started kissing her, and she woke up. As soon as she woke up, I inserted my dick inside her mouth, and I was licking her pussy. We were in 69 position. We both drank each other cum.

I decided to fuck her ass. As soon as I inserted my dick inside her ass, my Grandpa arrived. We both were terrified, but without saying anything, he went out of the room.

I fucked her ass for half an hour, then fucked her pussy for another round. After we finished and Grandma's moaning stopped, Grandpa entered in room naked.

We both were tired. But he inserted his big 7.5-inch tool inside Grandma's pussy and fucked her for one hour. I enjoyed watching them. After that we three slept for some time.

Grandma made lemonade and woke me and Grandpa up. We all were naked and having lemonade.

Me – You have a big tool. You are a great fucker. Grandma is really lucky.

Grandpa – You are also a great fucker, dear. She was moaning really loud.

Grandma – You both are the best fuckers. I will love to take your dicks at once.

Me – Grandpa, let's do this tonight only. Are you ready?

Grandpa – Of course. Is that even a question to ask?

After that, we went to the fields in the evening to get some air and see the beautiful sunset. After coming back, we had dinner and later went to bed room.

I started by kissing Grandma, and she was sucking Grandpa dick. Later, I sucked her boobs, and Grandpa inserted his dick inside Grandma's ass. I also inserted my dick inside her pussy, and we both started fucking.

I was kissing her and also sucking her boobs while fucking her. We both released our cum on her tits. She had already released her cum thrice.

For the second round, I fucked her ass, and Grandpa fucked her pussy. We had a lot of styles, but we were enjoying the sex how we wanted to. I remember, by looking at Grandpa, I also fucked Grandma four rounds that day.

We always release our cum on her tits because Grandpa told me to do so. After releasing cum for 4 rounds, Grandpa asked me to lick and eat it, I had already done that, so I did.

Our sex journey continued after that. I told my grandparents about my previous experience. We made a plan to go on a trip together.

The next part is going to be super amazing. We are going to have our first whole family sex party.
