

Family Kamasutra – 1

My name is Aarav. I live in Lonavala, India, but I was born in the USA. My parents moved back to India when I was 6. I am 23 years old.

Let me introduce my family to you. My Dad Abhay is 43 years old with a hairy and little chubby body. His dick size is 6.8. My Mom's name is Swati. She is 42 years old. She has a chubby body with big boobs and ass.

Before starting the story, let me tell you I belong to a nudist family. It is a real story of my family. My parents are really open-minded. They don't mind having sex in front of me. My parents even taught me about sex education when I was 18. They told me about sex, puberty, hormonal changes, and rest everything.

My parents usually have sex in the hall instead of their bedroom. I have seen them a lot of times. They start with kissing, and after a few minutes of kissing, Dad kisses Mom all over. Then he sucks her boobs and then moves to lick her pussy. They usually have sex on a couch and single bed in the hall.

Then Dad usually sits on the couch, and Mom sucks his dick. Then, they start with the doggy position. They have sex in doggy, 69 position, missionary, cowgirl and leapfrog. Their favourite positions are doggy and missionary.

Dad always cum on Mom's pussy or sometimes boobs. They always finish with licking and sucking each other.

Let me start with the main story. When I was 19, it was the first week of June. My Dad went out of town for a month. Whenever my Dad goes out of town, I sleep with my Mom only. While sleeping, I touched her boobs and pussy, even pressed her boobs.

The next morning, my Mom was preparing breakfast. I went to the kitchen and, hugged her from back and gave a kiss on her cheek. After breakfast, Mom went to have a shower and I was watching a web series.

After having a shower:

Mom – Dear, if you don't mind, can you give me a massage?

Me – Why not, Mom? Let me grab some oil.

Mom – Sure, dear, love you.

Me – Wait for me on the massage table, Mom.

I grabbed the oil. Mom was lying on the massage table. I poured some oil on Mom's back and started massaging her back. Then I massaged her legs.

Mom – Massage my ass, too.

Me – Are you sure?

Mom – Yes, please, dear, massage it.

Then I applied oil on her ass and massaged it, and then Mom turned. I massaged her legs and stomach. But she asked me to massage her boobs and thighs too. I poured oil on her thighs first and massaged it really well. Then I poured oil on her boobs and pressed them a lot while massaging them.

Me – Mom, your boobs are so soft and big. Dad is a lucky guy. He must be pressing them a lot.

Mom – You can also touch them whenever you want. Remember when you were a child, you used to drink milk from them all the time?

Me – I remember. Do they have milk now, too?

Mom – Maybe.

Me – Can I try to suck milk now?

Mom – Sure, love, you can.

Me – I can feel the milk in them, but how?

Mom – Well, it is because of some hormones.

Me – Does that mean I can drink it whenever I want?

Mom – Naughty boy! Ok, you can drink the milk, but don't talk about this.

Me – Of course not.

Mom – You got a boner, son?

Me – Sorry, Mom, I can't help it.

Mom – What are you going to do?

Me – Masturbation, Mom, of course. I have to. You are so hot.

Mom – No way, you are going to waste your delicious cum. Let me help you.

Then we went to the hall. I was sitting on the couch, and Mom was sitting down and started sucking my dick. She was sucking it really well. I felt like I was in heaven. My Mom is sucking my dick. She sucked my dick for 20 minutes and then drank my cum without wasting even a single drop.

I was still hard, and without wasting any time, I pushed Mom on the couch and started licking her pussy. She was really enjoying it and moaning. I drank her cum. Then I inserted my dick inside her pussy. I was feeling like I was in heaven.

I started fucking her pussy in the cowgirl position. She was moaning really loud. I fucked her in doggy, missionary and cowgirl position.

Me – Mom, I can't handle it any more. I am going to cum.

Mom – Don't stop, cum deep inside your birthplace.

Me – OK, Mom, here it comes.

I released my cum deep inside her pussy. I licked her pussy and cleaned it. Mom cleaned my dick by sucking it. After that, I drank milk from Mom's breast.

Mom – Your dick is even bigger than your Dad's.

Me – Really, Mom, Dad fucks you really good.

Mom – Yes, he is really good at sex.

After having sex, we both went to have a shower. While showering, I also pissed on Mom's boobs. Then we had dinner and went to the bedroom for another fuck session.

After that, I fucked my Mom all over the house for the whole month. We had sex in the hall, bedroom, kitchen, bathroom, backyard, front yard, and even on the terrace. I cum inside her pussy a lot of time.

I wanted to fuck her ass, but she was not ready. One day, while she was sleeping, I applied lube on her ass and my dick. Then put my dick on her ass and made a push. My dick top was inside her. She woke up and tried to stop me. But I made another push, and half of my dick was inside her.

With the third push, my whole dick was inside her ass. She was feeling pain, so I waited for some time. When she felt better, I started fucking her. At first, she felt pain, but then she started enjoying it a lot. I fucked her ass for 20 minutes and released my cum inside ass.

This was the first part of my story. I hope you liked it, well it is my real story. Please wait for the second part to know where we went for our first honeymoon.
