

Family Kamasutra -2

In the last part, I have written about how me and Mom had sex. It was the second week of June, and I have even fucked my Mom's ass. I planned a trip to Goa. It was a surprise for Mom.

Well, I planned a honeymoon trip with Mom. I rented a house near a beach where nudism was allowed.

Me – Mom, pack your stuff. We are going on a trip.

Mom – What, where are we going and how?

Me – Just pack your clothes and don't forget to take your swimming costumes.

Mom – At least tell me, where are we going?

Me – Well, we are going to Goa.

We packed our stuff and took our flight to Goa. We reached at 8 pm. We were so tired that we ordered some food online. After having dinner, I went to our room to see the arrangement I had asked for.

The room was perfect, decorated with flowers and balloons. It was perfect for a honeymoon. There was a heart on a bedsheet made with rose petals. After that, me and Mom went to have a shower.

Me – Ready for your surprise?

Mom – Yes.

Me – Just close your eyes, and let's go to the bedroom. Now, open your eyes.

Mom – It's an amazing, beautiful room.

Then, without wasting any time, I hugged Mom and started kissing her. Then I pushed her on the bed and started kissing her all over. I kissed her whole body. Then I sucked her boobs for 20 minutes.

After that, I started licking her pussy. I was licking her pussy deep inside, and she was moaning loudly. After that, we switched to the 69 position. Now I was licking her pussy, and she was sucking my dick. We both released our cum and drank it without wasting even a drop.

After that, Mom came into the doggy position. I inserted my dick inside her pussy and started fucking her. She was moaning like she got fucked the first time. After that, I fucked in a missionary position and released my cum inside her pussy.

I cleaned her pussy, by licking and eating my cum. Later she sucked and cleaned my dick. While she was sucking, I got hard again.

Me – Ready for another session?

Mom – I can't wait, dear, fuck me.

Me – Yes, Mom, I guess it's ass time now.

After that, I applied lube on her ass and my dick. She was lying down on the bed. I inserted my dick inside her ass and started fucking her. I fucked her for another half hour in the same position. Then I fucked her pussy for 10 minutes and again released my cum inside her pussy.

I drank Mom's milk again. Then she sucked my dick. I got hard again. Her mouth feels like heaven. This time, I fucked her in missionary, cowgirl and doggy position. This time, I released my cum on her tits.

Mom also has released her cum 7 times in this session. We were so tired that we didn't know when we went to sleep.

The next day, we went to the beach, where we found like 20 people naked. They were mostly foreigners, but there were 2 to 3 Indian people too.

We had done naked swimming there for an hour, then had some rest. We went back to our house. After having lunch, I sucked Mom's boob and started kissing her all over her body. She was sitting in the kitchen on

the counter, I started licking her pussy, and she pissed in my mouth. Her piss was delicious.

I inserted my dick in her pussy and started fucking her. After fucking for a few minutes, we went to the hall, and I was sitting on the couch. Mom started sucking my dick. She drank my cum after sucking it for 20 minutes. After that, I fucked her in doggy style. She was moaning loudly.

I inserted my dick inside her ass and fucked ass for half an hour. I then released my cum on her tits. After that, we went to have a shower and then rested for some time. We again went to the beach in the evening, where we were able to talk with some foreigners.

There was an old man (Oliver) who was really attractive. My Mom was continuously looking at his white dick. I asked the old man to come and fuck my Mom with me.

At first, he refused, but after talking and convincing him for a few minutes, he got ready. He has a white skin tone. He is hairy and has a 7-inch white dick.

I invited him to come the next morning and keep it a surprise for my Mom. I welcomed him at 10 am when my Mom was having a shower. When she came out, we both were waiting for her on the couch in the hall.

Mom – Good morning.

Oliver– Good morning.

Me – Mom, are you ready for a threesome?

Mom – What do you mean?

Me – I know you wanted to take Oliver's dick, so I convinced him.

Mom – love you, dear.

Then Mom started sucking our dicks. She sucked it for 10 minutes. After that, Oliver inserted his dick in Mom's pussy and started fucking her, I

was sucking her boobs. After sucking for a few minutes, Oliver was on the bottom, Mom was in the middle, and I was on top.

Oliver was fucking Mom's pussy, and I was fucking her ass. We fucked her for 20 minutes in the same position. Then, we both switched positions. I fucked her pussy, and Oliver fucked her ass. We both released cum on her tits at the same time.

After that, Oliver fucked Mom alone for the next round, and I was recording them. They started with kissing for almost 7-8 minutes, then Oliver sucked Mom's boobs and kissed her all over. Then they came in 69 position.

Then Mom was sucking him, and he was licking Mom's pussy. Then he fucked Mom for another half hour in missionary, cowgirl and doggy style. This time, he released his cum inside Mom's mouth.

She drank it all without wasting even a single drop. She cleaned his dick by sucking it, then me and Oliver made Mom drink our piss, and Oliver also drank Mom's piss.

I have already booked another trip abroad for me and Mom, which I will talk about in the next part.
