

I planned another trip just the next day. We returned from our last trip to Goa. My Dad already told me he has to stay 2 more weeks. It was the third week of June. I booked a villa at a nudist resort in Thailand.

After reaching the resort, we were so tired that we went to sleep and woke up in the evening. Then we went to the beach naked. Almost everyone was naked on the beach. Some were wearing shorts and bikinis.

First, we went swimming, then we enjoyed the sunset while having some snacks and came back to our villa. I asked to decorate the bedroom with the best romantic theme.

The room was decorated with dim candle lighting and rose petals. After having dinner, I went to the room and lit up all the candles. I then set up the camera so that we could record our sex. When Mom came to the bedroom, she was shocked. She loved the room decoration.

We started with kissing for 20 minutes, then I kissed her boobs and sucked them. I was squeezing them a lot. After that, I sat on the couch. Mom started sucking my dick and balls. She drank my cum.

Then I licked her pussy for 20 minutes and drank her cum. She was moaning loud and enjoying the feel of my tongue inside her pussy. After that, we both started kissing again.

After a few minutes, Mom came into a doggy position, and I fucked her pussy deep. Then I fucked her in corkscrew style. After fucking her for half an hour, I released my cum inside her pussy while fucking in missionary style.

After that, Mom again sucked my dick for a few minutes. The second round began in which I fucked in her cowgirl style, and the second position was seashell. Then fucked in lazy boy style. I finally released my cum inside her pussy a second time in snake style.

I was still hard, so I fucked Mom in doggy style again and fucked her for 20 minutes. I again released my cum inside her pussy. After fucking her for three rounds, I licked and cleaned her pussy. Later she sucked my dick before we went to sleep.

The next morning, I edited the video and showed it to Mom. She loved it. I thought I was the one and only who was going to fuck Mom on this trip. But on the fourth day, Dad came to surprise us.

It was morning, and Mom and I were having sex in the hall. But suddenly, Dad came. We were so engrossed in sex that we forgot to lock the door. We did not even notice that Dad was watching us.

I did not notice until I released my cum inside her pussy. After that, when I saw Dad, I was shocked.

Me – Dad, you are here?

Mom – What are you saying? Honey, how are you here?

Dad – Well, I came to surprise you, but here I got a surprise.

Mom – Oh!

Dad – Yes, our son is a great fucker, dear

Mom – There is no doubt about it.

Me – Are you fine with this?

Dad – Of course.

Me – Come, then join us.

I started kissing my Mom, and Dad was kissing her back. I drank her milk and inserted my dick inside her pussy, and she was sucking Dad's dick.

Me – Dad, fuck her ass now. Let us fuck her both holes.

Mom – Yes, dear, fuck my ass.

Dad – Babe, are you sure?

Me – Yes, Dad fuck her ass now.

We both were fucking Mom's ass and pussy at the same time. She was moaning loudly. After I finished again and released my cum inside her pussy, I put the video I recorded on TV. Dad released her cum on Mom's tits. After that, we enjoyed the video.

After that, we went to the beach naked and relaxed there and went swimming. As we were out, I asked to decorate the room again today. So that me, Mom and Dad can have our honeymoon together.

At night, after having dinner and a bath, we went to the bedroom. Mom and Dad started kissing. I was kissing Mom on her back, and then I started licking her pussy, and she was sucking Dad's dick. After that, Dad started fucking Mom's ass, and she was sucking my dick.

After I released my cum inside her mouth, without wasting any time, I inserted my dick in her pussy. Now, we were double-penetrating both her holes. Me and Dad released cum on her tits at the same time.

Later, Mom started sucking our dicks, and in no time, we both got hard again. This time, I fucked her ass, and Dad fucked her pussy. I don't know why, but this time, we fucked her a little hard. She was moaning really loud.

We both released cum inside Mom's mouth, and she drank it all. After that, she sucked our dicks and cleaned it. Later I licked her pussy in order to clean it.

The next morning, we went to different nudist beaches and enjoyed the whole day. We enjoyed a lot of beautiful views. Then we changed our resort and booked another villa where my Dad's best friend was staying.

My Dad invited his friend to join us, but only 3 days were left of our trip. My Dad's friend came while we were having sex. I was fucking Mom's pussy, and Dad was fucking her ass.

Uncle came and inserted his dick in Mom's mouth. Just after a few minutes, he released cum inside Mom's mouth. After Dad released his cum inside her ass, Uncle inserted her dick in her ass and fucked her for 5 minutes.

He was tired of this only. But me and Dad again fucked for another half hour and made her drink our cum and piss too.

After finishing our trip, we came back with happy moments and many memories. It was the best trip of my whole life.

This was the third part. I know this episode sounds a little unbelievable, but it's true. I have already told my family is open-minded. The story doesn't end here. I have also fucked my grandma. My grandpa has also fucked my Mom.

I will upload the next part as soon as possible.
