

Welcome everyone. I am Aarav, from a small village in Rajasthan, India. I am 20 years old and have a normal body. This incident happened when I was 19 years old.

My mother's name is Ayushi. She is a housewife with an amazing body. She has big boobs and butts. Her age is 40 years old, but she looks a lot younger. My Dad works in a multinational company, but we also run a dairy farm.

Let's start with the incident. My Dad was out of town on a business trip. I was in my room wearing only a T-shirt, and I had a boner. My dick is 10 inches long and 4.8 inches thick.

Me: Mom, please come here. I need your help.

Mom: Yes, son, I am coming.

Me: Mom, it's paining a lot in my balls and dick.

Mom: (She was shocked) Let me call the doctor.

Me: Please be quick, Mom. It's hurting a lot.

The doctor came and gave me a pill. After half an hour, I was feeling better. She took my blood sample for some tests. The next morning, the doctor came with the reports.

Mom: Welcome, doctor. How are the reports?

Doctor: Well, my suspicion was correct. The blood reports showed that your son has a gland that produces an excessive amount of testosterone.

Mom: I hope it's nothing serious.

Doctor: No, but he is going to have erections all the time. I can prescribe some medicines, but that might have a bad impact in the future.

Mom: Then what should we do?

Doctor: I recommend releasing his cum whenever he gets an erection.

Mom: Okay, doctor. I will take care of it.

Doctor: I'll take my leave now.

Mom came back to see me. I was naked, having a boner. She told me everything the doctor advised.

Mom: Son, you need to masturbate and release your cum.

Me: Mom, I tried, but I was not able to get my orgasm.

Mom: Have you tried watching porn?

Me: Yes, Mom, but that didn't work.

Mom: Son, don't worry. I am here to help you.

Then she sat near me, took my dick in her hands, and started stroking it. She stroked my dick for 10-15 minutes, but nothing was happening.

Me: Mom, it's not working. It's hurting a lot.

Mom: Son, I have an idea, but don't share this with anyone.

Me: What, Mom?

Mom: You can masturbate looking at my body.

She removed the saree from her shoulder and then completely removed her saree. She then opened the buttons of her blouse. Her big boobs were free now. I was stroking my dick while watching, but that was not enough.

She removed her blouse and petticoat, too. She was wearing panties now. After a few minutes, she was completely naked. She was pressing her boobs. After an hour, I got my orgasm and released my cum on her boobs. Her boobs were completely covered with my cum.

Mom: Son, you rest now.

Me: Thank you, Mom. I am feeling better now.

Mom: Son, remember, this should be our secret.

Me: Don't worry, Mom. This will be between us only.

The next morning, I was sleeping with a boner when Mom came to check on me. She woke me up. She took my dick in her hand and started stroking it again. After a few minutes, she took my dick and started sucking it.

Me: Mom, what are you doing?

Mom: The doctor told me to find various ways to get your orgasm. You should not masturbate every time.

Me: What, Mom?

Mom: You are my son; I am doing this to help you.

Me: Mom, I know. Thank you a lot.

She continued sucking my big dick. She sucked my dick for more than half an hour. Then I masturbated for a few minutes and released my cum on her boobs again. Then she took a shower and went to the kitchen to prepare breakfast.

After having a shower, I went to the hall to have breakfast. We both had breakfast and then Mom got busy with house chores. I was watching TV in the hall. Mom was still roaming naked in the house. I got a boner after looking at her body.

Me: Mom, my dick is hard again.

Mom: Oh! Don't worry. I am here to help you.

Me: Thank you, Mom. Please help me.

Mom: Yes, son. I will suck your dick.

She started sucking my dick again. She was sucking it like a lollipop. Her lips were really soft. Her lips were feeling really good on my dick.

Me: Mom, I don't think it's working.

Mom: Son, we need to find another way for you to get an orgasm.

Me: But what should we do?

Mom: You have to put your dick in between my boobs and then move it up and down.

Me: Are you sure, Mom?

Mom: Yes, my son. I can do anything to help you get an orgasm.

Then I put my dick in between her boobs and started fucking her boobs. Her big and soft boobs were feeling amazing. My dick was touching her mouth. After 20 minutes, she sucked my dick for 10 minutes.

Again, I fucked her boobs for 20 minutes, then I released my cum on her boobs. After that, I helped Mom with the house chores. We both were naked the whole day.

After having dinner, I was again having a boner. Mom was watching TV in her room. I went to her room and then sat near her. She took my dick in her hands and started stroking it.

After 10 minutes, she started sucking my dick again. She sucked it for half an hour. Then I fucked her boobs again for half an hour. My cum was released on her boobs and mouth. She was really horny, and waiting for the moment I would fuck her. But she was waiting for the right moment.

After that, I went to sleep, but Mom was really horny. She was fingering her pussy next to me. After getting her orgasm, she also slept. I knew that she wanted to have sex with me, but I was waiting for her to make the first move.

This was the first part of my story. I hope you like it. Please share your views in the comments. I will be back with another part as soon as possible.

To be continued.
